printed note circulated to the Members of the Standirg Finance Committee explains at considerable length the need for this additional allotment. Only just one word remains to be said about item No. 3—Public Examination Charges A sum of Rs. 2,000 is required partly to cover the deficit for the examinations already held and also for the expenses of the September School Final Examination which has been specially devised for the benefit of those who failed in last March. So, I request that this House will be pleased to grant this additional allotment.

The demand was put and carried.

6. 24—B—Rural Sanitation—Duty Allowance —Rs. 45.

President.—The next is the demand of Rs. 45 under Rural Sanitation.

Dr. D. Raghavendra Rao.—Sir, I rise to request this House for the grant of Rs. 45—under 24—B—Rural Sanitation —Duty Allowance. There was only a sum of Rs. 120 provided under the head 'Duty Allowance' at the rate of Rs. 10 a month for the 12 months for the permanent Sanitary Maistry, Trippunittura. When he took leave a substitute had to be appointed and this duty allowance had to be paid to that substitute also. Hence this request for additional allotment. I request the House will be pleased to sanction this allotment.

The demand was put and carried.

7. 34—Miscellaneous—Special Allowance— Rs. 117—14—0.

Rama Varmha Tampuran.—I rise to move for an allotment of Rs. 117—14—0 under 34. Miscellaneous—Special allowance to subordinate staff. This is the allowance which had to be paid to the subordinate staff who had not the benefit of the last revision or were kept on as supernumerary hands. An amount under the same head was passed by the Council during the last session. If that list is scrutinised, you will find it does not include the demand from the Education and Public Works Departments. They were received late and it is to meet
